With its long waterline and a smooth hull shape of course this new 445 provides the well known and proven HANSE sailing performance. This boat is easy to handle and manoeuvre by the helmsman alone, all halyards and sheets are hidden and lead aft to the steering position. In addition to this, the 445 offers a spacious cockpit arrangement for family and friends. Flush hatches and the modern coach roof with the trend-setting “eyebrow” design makes this new HANSE outstanding.
